MARK D SILVERWOOD Principal
Vice President

Mark Silverwood originally joined Bancorp as a broker in 1990 and worked for the company for 7 years. Prior to rejoining the company in 2007 he worked as a commercial lender for MCAP as well as CareVest Capital Inc. and was primarily responsible for deal origination, loan structuring and underwriting. He is a graduate from the University of British Columbia with a degree in Geography.

Bancorp's senior management team has extensive experience in real estate finance, banking, development and fund management. With an individual average of 25 years in the industry, our management team brings a broad range of knowledge and understanding to meet the needs of both mortgage investors and borrowers.
